| Insulin | \$5 |
| Testosterone, free and total | \$15 |
| Prostate Specific Antigen w/ reflex | \$5 |

All our labs are run through LabCorp. Below is a table showing how our prices compare with an average of local hospital systems. The information came from publicly available data thanks to recently passed federal regulations. Hospital system prices listed below are for comparison only and do not represent any single health system or account for insurance discounts.

| Labs | EuDoc | Hospital Systems |
|-------|-------|------------------|
| CBC | \$5 | \$80 |
| BMP | \$5 | \$103 |
| CMP | \$5 | \$110 |
| Lipid | \$5 | \$140 |
| TSH | \$5 | \$100 |
| A1c | \$5 | \$150 |

Thank you for considering a EuDoc membership. Feel free to reach out with any questions.
